

whether, and to what degree, agency CAR data for the preceding fiscal year is complete and accurate.

4.605 Procedures.

(a) *Procurement Instrument Identifier (PIID)*. Agencies shall have in place a process that ensures that each PIID reported to FPDS is unique Government-wide, for all solicitations, contracts, blanket purchase agreements, basic agreements, basic ordering agreements, or orders in accordance with 4.1601, and will remain so for at least 20 years from the date of contract award. Other pertinent PIID instructions for FPDS reporting can be found at <https://www.fpds.gov>.

(b) *Data Universal Numbering System (DUNS)*. The contracting officer must identify and report a DUNS number (Contractor Identification Number) for the successful offeror on a contract action. The DUNS number reported must identify the successful offeror's name and address as stated in the offer and resultant contract, and as registered in the Central Contractor Registration (CCR) database in accordance with the clause at 52.204-7, Central Contractor Registration. The contracting officer must ask the offeror to provide its DUNS number by using either the provision at 52.204-6, Data Universal Numbering System (DUNS) Number, the clause at 52.204-7, Central Contractor Registration, or the provision at 52.212-1, Instructions to Offerors—Commercial Items.

(1) Notwithstanding the inclusion of the provision at 52.204-6 in the associated solicitation or except as provided in paragraph (b)(2) of this section, the contracting officer shall use one of the generic DUNS numbers identified in CCR to report corresponding contract actions if the contract action is—

- (i) With contractors located outside the United States and its outlying areas as defined in 2.101 who do not have a DUNS number, and the contracting officer determines it is impractical to obtain a DUNS number;
- (ii) With students who do not have DUNS numbers;
- (iii) With dependents of veterans, Foreign Service Officers, and military members assigned overseas who do not have DUNS numbers; or

(iv) For classified or national security.

(2) In accordance with agency procedures, authorized generic DUNS numbers found at <https://www.fpds.gov> may be used to report contract actions when—

(i) Specific public identification of the contracted party could endanger the mission, contractor, or recipients of the acquired goods or services; or

(ii) The agency determines it is impractical to obtain a DUNS number.

(c) The contracting officer, when entering data in FPDS, shall use the instructions at <https://www.fpds.gov> to identify any action funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5).

[73 FR 21776, Apr. 22, 2008, as amended at 74 FR 14638, Mar. 31, 2009; 76 FR 39235, July 5, 2011]

4.606 Reporting Data.

(a) *Actions required to be reported to FPDS*. (1) As a minimum, agencies must report the following contract actions over the micro-purchase threshold, regardless of solicitation process used, and agencies must report any modification to these contract actions that change previously reported contract action data, regardless of dollar value:

(i) Definitive contracts, including purchase orders and imprest fund buys over the micro-purchase threshold awarded by a contracting officer.

(ii) Indefinite delivery vehicle (identified as an “IDV” in FPDS). Examples of IDVs include the following:

(A) Task and Delivery Order Contracts (see Subpart 16.5), including—

(1) Government-wide acquisition contracts.

(2) Multi-agency contracts.

(B) GSA Federal supply schedules.

(C) Blanket Purchase Agreements (see 13.303).

(D) Basic Ordering Agreements (see 16.703).

(E) Any other agreement or contract against which individual orders or purchases may be placed.

(iii) All calls and orders awarded under the indefinite delivery vehicles identified in paragraph (a)(1)(ii) of this section.

Federal Acquisition Regulation

4.701

(2) The GSA Office of Charge Card Management will provide the Government purchase card data, at a minimum annually, and GSA will incorporate that data into FPDS for reports.

(3) Agencies may use the FPDS Express Reporting capability for consolidated multiple action reports for a vendor when it would be overly burdensome to report each action individually. When used, Express Reporting should be done at least monthly.

(b) *Reporting Other Actions.* Agencies may submit actions other than those listed at paragraph (a)(1) of this section, and must contact the FPDS Program Office at *integrated.acquisition@gsa.gov* if they desire to submit any of the following types of activity:

(1) Transactions at or below the micro-purchase threshold, except as provided in paragraph (a)(2) of this section.

(2) Any non-appropriated fund (NAF) or NAF portion of a contract action using a mix of appropriated and non-appropriated funding.

(3) Lease and supplemental lease agreements for real property.

(4) Resale activity (*i.e.*, commissary or exchange activity).

(5) Revenue generating arrangements (*i.e.*, concessions).

(6) Training expenditures not issued as orders or contracts.

(7) Grants and entitlement actions.

(8) Interagency agreements, also known as interservice level agreements, memoranda of understanding, or memoranda of agreement.

(9) Letters of obligation used in the A-76 process.

(c) *Actions not reported.* The following types of contract actions are not to be reported to FPDS:

(1) Imprest fund transactions below the micro-purchase threshold, including those made via the Government purchase card (unless specific agency procedures prescribe reporting these actions).

(2) Orders from GSA stock and the GSA Global Supply Program.

(3) Purchases made at GSA or AbilityOne service stores, as these items stocked for resale have already been reported by GSA.

(4) Purchases made using non-appropriated fund activity cards, chaplain fund cards, individual Government personnel training orders, and Defense Printing orders.

(5) Actions that, pursuant to other authority, will not be entered in FPDS (*e.g.*, reporting of the information would compromise national security).

(d) Agencies not subject to the FAR may be required by other authority (*e.g.*, statute or OMB) to report certain information to FPDS.

[73 FR 21776, Apr. 22, 2008, as amended at 73 FR 53994, Sept. 17, 2008; 75 FR 34264, June 16, 2010; 75 FR 82567, Dec. 30, 2010]

4.607 Solicitation Provisions.

(a) Insert the provision at 52.204-6, Data Universal Numbering System (DUNS) Number, in solicitations that—

(1) Are expected to result in a requirement for the generation of a CAR (see 4.606(a)(1)); and

(2) Do not contain the clause at 52.204-7, Central Contractor Registration.

(b) Insert the provision at 52.204-5, Women-Owned Business (Other Than Small Business), in all solicitations that—

(1) Are not set aside for small business concerns;

(2) Exceed the simplified acquisition threshold; and

(3) Are for contracts that will be performed in the United States or its outlying areas.

Subpart 4.7—Contractor Records Retention

4.700 Scope of subpart.

This subpart provides policies and procedures for retention of records by contractors to meet the records review requirements of the Government. In this subpart, the terms “contracts” and “contractors” include “subcontracts” and “subcontractors.”

4.701 Purpose.

The purpose of this subpart is to generally describe records retention requirements and to allow reductions in the retention period for specific classes of records under prescribed circumstances.
